This Association is the largest, oldest and most successful Mutual Insurance
Association in California and the majority of its members are in and near San
Francisco where it is best known. It now confines its Agencies to the Pacific
Coast. The wisdom of this act is shown by the strenuous efforts made by the
Eastern companies for California business, recognizing as they do, the necessity
of equalizing the extra death rate elsewhere caused by climatic conditions. "An
insurance company that reaches too far is liable to disasters common to the
merchant who spreads his business over all Creation."

An Efficient Remedy

In all cases of Bronchial and Pulmonary
Affections is AYER'S CHERRY
PECTORAL. As such it is recognized and
prescribed by the medical profession, and
in many thousands of families, for the
past forty years, it has been regarded as an
invaluable household remedy. It is a
preparation that only requires to be taken
in very small quantities, and a few doses
of it administered in the early stages of a
cold or cough will effect a speedy cure,
and may, very possibly, save life. There
is no doubt whatever that

Ayer's Cherry Pectoral

Has preserved the lives of great numbers
of persons, by arresting the development of
Laryngitis, Bronchitis, Pneumonia,
and Pulmonary Consumption, and by
the cure of those dangerous maladies. It
should be kept ready for use in every
family where there are children, as it is a
medicine far superior to all others in the
treatment of Croup, the alleviation of
Whooping Cough, and the cure of Colds
and Influenza, ailments peculiarly inci-
dental to childhood, and youth. Prompt-
itude in dealing with all diseases of this
class is of the utmost importance. The
loss of a single day may, in many cases,
entail fatal consequences. Do not waste
precious time in experimenting with
medicines of doubtful efficacy, while the
malady is constantly gaining; a deeper
hold, but take at once the speediest and
most certain to cure,

Ayer's Cherry Pectoral,
